ORIGIN

Next Review Date: 2008

25X1A

The Czechoslovak Ministry for Foreign Trade has recently approved several transactions involving the barter of Czechoslovak products for goods controlled by Soviet authorities in Austria. All the documents listed below authorize the interested firms to complete specified transactions within stipulated periods, which can be extended only under exceptional circumstances and for good cause. Settlement in all cases is to be made through a joint account in a foreign exchange bank with approval of the National Bank of Czechoslovakia. All prices quoted are f.o.b. Czechoslovak border.
